

## 2023 Special Event Guidelines & Application Form

### **BASIC GUIDELINES**

#### **General Application Requirements:**

The application form, fees and planning process must be completed no later than 3 months prior to your event date. Applicants assume responsibility for all aspects of event planning, management, and fees/deposits. Reservations are finalized after the event proposal is approved, the reservation form is completed, and fees are paid.

Please make sure we receive a copy of your event layout or route map – preferably at the time of your application, but no later than two months out from your event date. We will not approve any use of our property without a clear and legible layout or route map. We cannot permit walk/run events to pass through the Amphitheater or along Mistake Alley, as coordinating the gate closures/openings during our concert and event season is not feasible. While the Amphitheater is under construction, routes cannot include any activity on Shevlin Hixon Drive and Mistake Alley. Please be mindful of Amphitheater concert dates when planning your event. Our concert schedule can be found at [bendconcerts.com](http://bendconcerts.com) – please check back frequently, as we update often throughout the concert season.

#### **Insurance:**

Insurance is required for all events or activities held on Old Mill District property, and our required insurance verbiage can be found on our [website](#). Please read the requirements and language carefully. We require a COI to be submitted either in person or via email to [Haley@theoldmill.com](mailto:Haley@theoldmill.com) no later than 30 days prior to your event. Failure to maintain insurance coverage will result in immediate revocation of permission to use Old Mill District property.

#### **Additional Permissions:**

The Old Mill District strives to be a good neighbor. We work closely with Bend Parks & Recreation, the City of Bend, and others to make sure events on our property do not conflict with their operations. It is your responsibility as the event planner to obtain any necessary approval from the City of Bend, Bend Parks & Recreation, and/or any property owners if your event extends beyond Old Mill District or Hayden Homes Amphitheater property. Additionally, you are responsible for arranging any necessary inspections and maintaining compliance with the Bend Fire Department.

#### **Fees & Deposits:**

With the large number of events happening in and around the Old Mill District, we are noticing more impact on the property and our resources. These event fees help us shoulder the cost of administrative time and maintenance/security services. Our Event Fee Structure sheet can be found on our [website](#). We will evaluate this on a case by case basis.

The event operator shall be held solely responsible for all costs associated with any damage to the property resulting from the event. Unauthorized changes from the agreed upon logistics plan may result in added fees and/or non-renewal of subsequent reservation requests.

The Old Mill District reserves the right to cancel an event at any time due to extenuating circumstances (such as water line break, extreme weather impact, etc.) and will not be responsible for any expenses or lost revenue due to cancellation of event.

## **OTHER GUIDELINES**

### **Americans with Disabilities Act (ADA):**

Event organizers are expected to make every effort to follow ADA guidelines and provide and maintain access for people with disabilities. This includes maintaining access to sidewalks and curb cuts and the provision of designated parking spaces for people with disabilities. If the event calls for additional parking, then appropriate parking for people with disabilities must be provided. ADA compliant restrooms must be made available.

### **Security and Traffic Control:**

Security and/or traffic control may be required of event organizers depending on the type of event and the number of expected participants. The event organizer is responsible for obtaining a traffic engineering stamp of approval on the traffic control plan, prior to City staff review. If security is required, it is the responsibility of the event organizer to make all arrangements and to provide the district with contact names and numbers prior to the event. Security personnel are not allowed to carry firearms.

### **Police Assistance:**

Some events may require the assistance or presence of the Bend Police Department. Please work with them well in advance to coordinate these services. If you have questions or concerns about your event and whether you require the PD, please email their Community Liaison at [communityliaison@bendoregon.gov](mailto:communityliaison@bendoregon.gov).

### **Portable Toilets**

Event organizer may be required to provide portable toilets for event attendees.

### **Cleanup**

Event organizer will be held responsible for clean-up during and after their scheduled event, including bagging and removing all trash associated with the event.

### **Logo Usage**

If permission is granted, we will require a full alcohol plan including signage, alcohol monitors, I.D. checkers, and security. A copy of the State Liquor License must be provided prior to the event. Your COI will need to include additional language and increased coverages. Those guidelines can be found on our website.

A fire extinguisher must be available and "kitty litter" or similar fire retardant product should be on hand in case of fuel spills. Fuel may NOT be refilled on turf areas or during the event while the public is present. Generators may not be placed under trees where the exhaust may be damaging. It is best to use an exhaust deflector to protect the turf.
